Audrey's Charming Curved Design Offers Timeless Elegance

(BOSSIER CITY, LOUISIANA – January 25, 2022,)— Jeffrey Alexander® by Hardware Resources proudly announced the release of their latest decorative hardware collection, Audrey. This poised and effortlessly charming collection adds understated elegance to any room. Designed with both look and feel in mind, the Audrey collection provides 7/8 inch hand clearance, which makes it an ideal choice when ADA compliance is a functional requirement or aging in place is a consideration.

“Audrey’s visual appeal and increased hand clearance make it an excellent choice to create a look of timeless sophistication,” said Stephanie Lowe Mersky, Director of Decorative Hardware. “Paneled appliances are once again becoming popular in kitchen design, especially when looking for a high-end custom feel. Audrey has both a 12” and 18” appliance handle available to help keep the design cohesive throughout the kitchen.”

Available in seven alluring finishes, the Audrey collection offers two beautiful knob sizes, six standard pull lengths and both 12” and 18” center to center appliance handles.
